

Our subcommittees met this evening to set objectives.

From Evangelization Subcommittee

- To strengthen and build up our community, rooted in the joy of the gospel
- To take Jesus' message beyond our church doors; to know, love and serve alongside others outside the St. Raymond community

From Spiritual Stewardship Subcommittee

- To cultivate a greater sense of belonging
- To share our God-given gifts in gratitude

From Formation Subcommittee

- Living out our call to holiness, reverence & respect for all
- Strengthening faith by establishing a nurturing relationship between school & parish
- To develop parity between the day school and religious education
- Make St. Raymond's a place where all generations can learn & deepen their faith through active participation
- Seek to restore the vitality of our parish through servant leadership that will both heal and inspire

From Finance Subcommittee

- "Inspire" Financial Stewardship to cover operating costs and establish a reserve
- Perform good stewardship of expenditures and efficient use of resources

We will meet next Tuesday, November 10 at 7pm to prioritize objectives and begin action planning. We ask for prayers from the entire St. Raymond family for our fellow parishioners participating in Parish Transformation as we move into these last few weeks of plan development.
